

# Auto Power Kit

Just not worth being caught without one

# Auto Power Kit : 8,000 mAh

## Description

Our Auto Power Kits are created superior. Built to last, these kits are engineered to make your life simpler, safer & easier by giving you :

1. Motor vehicle Jump Starter power bank
2. All-in-1 power bank kit for mobile phone, tablet & laptop charging (all charging tips included)

Powering a SAFER ride & a SIMPLER life.

### Features

- Motor vehicle battery Jump Starter
- All-in-1 charging (cables provided) : Mobile phone, tablet, laptop, camera & others.
- Premium quality with built-in protection features
- Compact kit design

### Benefits

- Reliable protection during emergencies
- Cleverly designed multi-functionality
- Reliability when you need it most
- Portable and easy to store

## Specifications

Property	Details
Size ( L*W*H ) mm	(134.7 * 77.5 * 32.6) mm
Input	15V/1A
Output	The Car Boot Port: 12V
	USB Port: 5V 2.1/1A
Charge Mode	CC/CV - 15V1A
Starting Current	200A
Peak Current	400A ( 3S )
Fully Charge Time	Approx. 8 hours
Cycle Life	> 3,000 times
Operating Temperature	0 - 85°C / 32 - 185°F
Battery Capacity	8,000 mAh

Note: The data & information provided are used for representative purposes only.
