

# Power Banks

Never run out of POWER (or style)

# Power Banks : 3,000 mAh

## Description

Our Power Banks are precision engineered to improve your life. These high energy density portable device chargers are MFI licensed & created for long lasting performance.

Built using the latest Lithium Polymer batteries, our Power Banks outperform other brands in giving you superior quality, reliability & peace of mind.

A tiny device giving you a POWER BOOST when you need it most

### Features

- High battery capacity with 4 indicator lights : 3,000mAh
- Premium quality : Ultra high energy density Lithium Polymer battery
- Mutiple USB ports

### Benefits

- Mutiple charges for mobile phones & tablets
- Built smaller than other brands and with superior durability & performance
- Simultaneous mobile phone & tablet charging

## Specifications

Property	Details
Li-Polymer Battery Capacity	3.7V / 3,000mAh
Micro USB Input	5V / 1A
Micro Cable Output	5V / 1A
Lighting Cable Output	5V / 1A
Self-charging Time	6 hrs (by PC USB port)
	4 hrs (5V/ 1A Travel Charger)
Size	102 x 62.5 x 7.6mm
N.W.	65g

# Power Banks : 5,000 mAh

## Description

Our Power Banks are precision engineered to improve your life. These high energy density portable device chargers are MFI licensed & created for long lasting performance.

Built using the latest Lithium Polymer batteries, our Power Banks outperform other brands in giving you superior quality, reliability & peace of mind.

A tiny device giving you a tremendous POWER when you need it most

### Features

- High battery capacity with 4 indicator lights : 5,000mAh
- Premium quality : Ultra high energy density Lithium Polymer battery
- Multiple USB ports

### Benefits

- Multiple charges for mobile phones & tablets
- Built smaller than other brands and with superior durability & performance
- Simultaneous mobile phone & tablet charging

## Specifications

Property	Details
Li-Polymer Battery Capacity	3.7V / 5,000mAh
Micro USB Input	5V / 1A
Micro Cable Output	5V / 1A
Lighting Cable Output	5V / 1A
Self-charging Time	8 hrs (PC USB port)
	5.5 hrs (5V/ 1A Travel Charger)
Size	134 x 66.5 x 8mm
N.W.	121g

# Power Banks : 20,000 mAh

## Description

Our Power Banks are precision engineered to improve your life. These high energy density portable device chargers are MFI licensed & created for long lasting performance.

Built using the latest Lithium Polymer batteries, our Power Banks outperform other brands in giving you superior quality, reliability & peace of mind.

An elegant device of tremendous POWER you wish you've always had

### Features

- High battery capacity with 4 indicator lights : 20,000mAh
- Premium quality : Ultra high energy density Lithium Polymer battery
- Multiple USB ports

### Benefits

- Multiple charges for mobile phones & tablets
- Built smaller than other brands and with superior durability & performance
- Simultaneous mobile phone & tablet charging

## Specifications

Property	Details
Li-Polymer Battery Capacity	20,000mAh
Micro Input	5V / 2A
USB Output 1	5V / 2.4A
USB Output 2	5V / 2.4A
USB Output 3	5V / 1A
USB Output 4	5V / 1A
Self-Charging Time	About 11 hrs (5V/2A Travel Charger)
Size	158 * 77.5 * 18.6 mm
N.W.	372g

*Note: The data & information provided are used for representative purposes only.*
